ClearSpan is your preferred solution for salt storage and more

ClearSpan Fabric Structures is the industry leader when it comes to all your building and storage solutions. Manufactured with the highest-quality, triple-galvanized structural steel tubing for the frame and high-density polyethylene (HDPE) for the fabric cover, ClearSpan offers economical structures ideal for any of your needs.

The ClearSpan Salt & Storage Advantage:

- Guard against precipitation, prevent caking.
- Store a season’s worth of material.
- Operate or store machinery indoors.
- Lower energy costs with natural daytime lighting.
- Turnkey or design-build solutions.

- Spacious interiors - Without support posts for the maximum amount of usable space and a safe working environment.
- Industry-leading warranty - 50 years on the frame and 20 years on the fabric.
- Easy to expand, disassemble and relocate.
- Quick to manufacture and install.
Since 1979, ClearSpan has offered cost-effective, versatile and energy-efficient building solutions. We provide in-house design, manufacturing and construction, and pride ourselves on offering superior customer service. Our experienced truss arch specialists are highly trained to help you determine the best structure and setup for your needs. With stock, turnkey and design-build solutions, there is a ClearSpan structure for everybody.

“The elbow room inside the building is excellent. We own a Case 621 Loader, and it has no problem turning around inside the structure.”
- Thomas Wilson, Dept. of Public Works, Beech Grove, Ind.

“We are very happy with the quality and clearance that the building provides us. If we ever need to reposition the building, the user friendly design and foundation requirements give us that option.”
- Bruce Williams, Dept. of Public Works, Avon, Conn.

“We’ve found that for operational and functionality purposes, the fabric building from ClearSpan has been working out much better than the wood structure….it’s also very nice looking!”
- Bob Umashankar, Dept. of Public Works, Hartford, Conn.
