**GrowSpan Roll-Up Low Pro Tunnel Advantage:**

- **Extend growing seasons and get to market earlier** - Start growing earlier, harvest later.
- **Multiple cover options** - Create an ideal environment with 6 mil clear greenhouse film or 6 oz. black/silver covers for blackout purposes.
- **Durable construction** - Built from 14-gauge, USA-made, triple-galvanized structural steel.
- **Total light deprivation** - Control cycles and when crops are harvested.
- **Easy operation** - Just one grower can retract or deploy the cover.
- **End panels** - Feature a zippered center for easy access.
- **Heavy-duty ground posts included.**
- **Compact design** - 5’ peak with 32” clearance on the sides.

The GrowSpan Roll-Up Low Pro Tunnel utilizes an innovative, low-profile design that allows growers to quickly ventilate crops by rolling the cover into the roof’s peak or protect and blackout crops by deploying the cover - all with a simple twist of the wrist. The tunnel is an economical growing solution, and, when outfitted with a blackout cover, the Low Pro can provide complete light deprivation, enabling growers to control the flowering cycle.
Since 1979, Growers Supply has provided the **highest-quality products at the most economical prices** to the growing and agriculture industry. We manufacture our high tunnels in-house, assuring that you get a high tunnel of the finest quality, and we pride ourselves on offering superior customer service. Our experienced growing and greenhouse specialists are highly trained and can help you determine the high tunnel that best suits your needs.
