The GrowSpan Series 2000 Commercial Greenhouse Advantage:

- 8” wide gutters and drip gutters for clean, dry walls.
- Base plate system offers flexible anchoring options.
- Turnkey and stock options or design-build solutions to meet state and local building codes.

A-Frame design - 6/12 pitch and polycarbonate roof glazing is optimal for high snow applications.

- Integrated aluminum flashing and foam weather stripping for low energy costs.
- 8 mm Twin-Wall Polycarbonate - Energy-saving, impact- and UV-resistant End Walls, roof and side walls.

Environmental control packages - Vents, fans, heaters, lighting or curtains allow for a completely controlled environment.

GrowSpan Series 2000 Commercial Greenhouses are ideal for garden centers, research and universities.
Since 1979, Growers Supply has offered cost-effective, versatile and energy-efficient greenhouses and provided the highest-quality products at the most economical prices to the growing and agriculture industry. We provide in-house design, manufacturing and construction, and pride ourselves on offering superior customer service; that's why our experienced greenhouse specialists are highly trained to help you determine the best greenhouse and setup for your needs.

Our customers will experience:

- Exceptional service - With experienced specialists.
- Turnkey and custom solutions - For any growing need.
- In-house design and installation services.
- Support and guidance - Before and after purchase.
- Controlled Environment Agriculture (CEA) schools, videos and literature.
