The GrowSpan Series 500 Tall Advantage:

- Extra-tall height for maximum growing space.
- Sun Master® Film - 4 year rated double-layer film retains heat and provides drip control by preventing condensation.
- Multiple purlins for structural strength and versatility.
- Larger volume for less humidity and easier environmental control.
- Turnkey stock options or design-build solutions to meet state and local building codes.
- Optional ridge vent package - Limits temperature and humidity fluctuations.
- “Twist-of-the-Wrist” Assembly - Used for both Roll-Up and Drop-Down Sides.
- Extend the growing season and improve quality.
- Easy to seal curtains for added weather protection.
Since 1979, Growers Supply has offered cost-effective, versatile and energy-efficient greenhouses and provided the highest-quality products at the most economical prices to the growing and agriculture industry. We provide in-house design, manufacturing and construction, and pride ourselves on offering superior customer service; that’s why our experienced greenhouse specialists are highly trained to help you determine the best greenhouse and setup for your needs.

Our customers will experience
